

DEEPALI DOGRA

PROFILE

Dedicated and knowledgeable child psychology specialist with a PhD in Human Psychology and over three years of teaching and practical experience in early childhood education.

Demonstrated expertise in fostering young children's cognitive and emotional development through roles in diverse educational settings, including a day care center, nursery school, and early childhood center at PAU, Ludhiana. Experienced as an early childhood educator and academic facilitator across psychology, science, and home science disciplines in schools such as Bonvoyage Vidhaya Bhawan, DCM Presidency School, Ludhiana and TGT in Psychology at Ryan International School, where I am committed to nurturing a positive learning environment and advancing students' academic and personal growth.

EDUCATION

Master of sciences in Human Development and Family Studies

Punjab agricultural university | Ludhiana, Punjab
2015-2017

Completed a master's in Human Psychology with focused studies in human development, family studies, adult education, and parental education. Actively participated in cultural activities, achieving first prize in both Gidha (traditional dance) and singing, reflecting a strong commitment to cultural engagement and excellence.

Doctor of philosophy (PhD) in Human Development and Family Studies

Punjab agricultural university | Ludhiana, Punjab
2018-2022

Completed a PhD with a comprehensive curriculum encompassing sociology, human psychology, human development, family studies, adult education, and parental education. This interdisciplinary approach deepened my expertise in understanding individual and family dynamics, enriching my specialization in child psychology and enhancing my skills in educational and developmental contexts.
