Summary

An enthusiastic candidate, keen on learning, ever ready for challenging situations in life and career with a positive frame of mind. I am looking for an opportunity that will help me deliver my best and work upon my skills and meet the demands of the organization.

Experience

Intern

Sanjivini society for mental health

Dec 2021 - Feb 2022 (3 months)

*As it is a rehabilitation center in an online mode. So, as an intern, I was supposed to watch the clients in their daily activity sessions. every day there was 3 sessions in total.

*Every week I received a task to complete with a deadline, which includes a daily work report, weekly report, an activity to perform with the clients, etc.

Intern

Metro MAS Heart Care & Multi Speciality Hospital

Aug 2021 - Oct 2021 (3 months)

*I was on the role of taking case histories of the patient, the file University advised each one of the students to prepare.

*I visited respiratory ward, general ward etc to meet the patients who is suffering from psychological problem like Anxiety, somatoform disorder, sometimes it is because of general medical conditions also and so on.

*Whole talking to the patient in taking the history, I was in need to cover every small details so that it could be easier for me to understand how this problem started.
