

# JOSHIN SAMUEL

PSYCHIATRIC SOCIAL WORKER

## PROFILE INFO

As a highly motivated and experienced social worker, I have an M.Phil. degree in the field and over five years of experience. With a passion for psychiatry, social justice, community development, and empowerment, my research interests focus on advancing social work and improving the lives of urgent populations. With a commitment to incorporating real-world examples into my teaching and research, I strive to inspire and educate the next generation of social workers while contributing to the broader academic community through my research and service.
