INTERNSHIPS

- **Mental Health Organization**

1st june 2016 — 30th june 2016 Internship

The internship included guest lectures from renowned psychologists, psychiatrists, therapists and counselors. Interactive sessions were conducted on a daily basis where theoretical as well as practical implications were discussed. As part of the internship program I visited AIIMS, AIIMS ballabgarh, IHBAS OPD and A DOOR OF HOPE rehabilitation center to see the role of psychologists.

- **Inspiration, a center for special children**

1st December, 2016 — 30th December, 2016

During the course of this internship I aided in teaching and providing care to differently abled children. I was involved with children with Autism Spectrum Disorder, Attention Deficit Hyperactivity Disorder, Intellectual Disability and slow learners. Fulfilling the role of a teacher, I taught them the basic skills necessary for day to day living.

- **Mental Health Foundation- Community Project at Kirti Nagar**

8th January - 2nd April

As part of the community project, I made people of the community aware about mental health. A patient registration program was held where people could register themselves after knowing about the symptoms that they were made aware about. A Mental Health Camp was set up where psychologists and psychiatrists from AIIMS were involved. Follow ups were also conducted.

- **Guru Tegh Bahadur Hospital**

1st march-1st April

In the internship, I learned how to take case history and mental status examination. Through the observation, my knowledge about various psychological disorders increased which further strengthened my knowledge. During the course of my internship I could understand the process of reaching diagnosis.

- **Psychological Academic Learning Services**

6th June-5th July 2018

The internship program was unique and intensive comprising skills, roles and responsibilities related to History taking, Interview, Assessment and intervention skills. This internship gave me hands-on experience in handling clinical cases and conducting psychological assessments.

WORK EXPERIENCE

- **Indraprastha Apollo Hospital , Sarita Vihar**

July 2019-December 2020

I have worked as a clinical associate at Apollo Hospitals. My work included doing case work up, Psychometric assessments of the patient and providing psychotherapy. During the period of my work, I also made assessments reports and conducted classes/ workshops for the interns.

- **Indraprastha Apollo Hospital, Sarita Vihar**

February 2023- Present

Working as a Junior Clinical Psychologist
