SKILLS AND ACHIEVEMENT

- Clinical assessment, diagnostics, and psychotherapy (ACT, Schema focused)
- Hands-on exposure to diverse clinical populations under supervision
- Case reporting, research interpretation, and workshop facilitation
- Contributed to outreach, social media campaigns, and team recruitment
- Versatile contributor to both clinical care and administrative coordination

ABOUT ME

RCI-registered clinical psychologist (in training) with experience in both public and private clinical settings. Skilled in assessments, diagnostics, and third wave psychotherapies. UGC-NET qualified (Dec 2023). Brings a learner's mindset, teaching acumen, and strong organisational skills to add value across clinical and institutional roles.
