Numerator

 Vadodara
- Numerator is a data and tech company reinventing the market research industry with first-party, consumer-sourced data.

 - . Assisted with development of data entry procedures to streamline data processing.
 - . Contributed in the projects that helped the client to make data-driven decisions.
 - . Provided insights that have led to increase in revenue and growth.

STRENGTHS

Cross-Cultural Knowledge

I had worked with the people across the country in Numerator where i learned to quickly recognize cultural expectations and boundaries, neutralize conflict and establish communication.

Empathetic Listener

My greatest strength as a Psychologist is being empathetic, compassionate and having excellent listening skills. This makes it easy for me to connect with people and offer advice or help them to articulate their thoughts and feelings.
