- BLS and ACLS Instructor course

## Objective

To obtain a position of a Consultant/Senior Resident, utilizing my medical knowledge and strong clinical skills. With three years of clinical experience in psychiatry, I am adept at diagnosing and treating various ailments, and excel in collaborating with healthcare teams. Dedicated to continuous learning and professional development.

## Work Experience

### Andhra Medical College | Junior Resident

2020 – 2023

- Assisted senior residents in conducting patient assessments, diagnosis, and treatment plans, actively participating in daily rounds and contributing to the development of comprehensive care strategies.
- Collaborated with interdisciplinary teams, including nurses, pharmacists, and social workers, to coordinate patient care and ensure seamless transitions between different healthcare settings.
- Educated patients and their families on treatment plans, medication administration, and self-care techniques, empowering them to actively participate in their own healthcare journey.

### People's College of Medical Sciences and Research Centre | Medical Intern

2018 – 2019

## Certifications

Aug 2023	WHO-UMC PHARMACOVIGILANCE Uppsala Monitoring Center, Sweden
Aug 2023	ICH GOOD CLINICAL PRACTICES E6 (R2) Global Health Training Center
